THE SENIOR CITIZENS' CUM TRANSIT HOME

A long cherished dream of the parish is to create a home for the senior citizens as well as for those who may need a comfortable place to stay as they transit through Delhi to other places. The first step in this direction was taken with the purchase of a plot of land at Aya Nagar, an urban village which stretches into the cyber capital of India-Gurgaon. We hope to provide beautiful, yet simple facilities that will include a multi purpose hall for socio- religious purposes, individual homely accommodation for the senior citizens and for visitors who travel through Delhi for business or pleasure. This project and its resource management will further enable us to undertake more social upliftment programmes and projects in and around Delhi.

Location: The plot situated in the suburbs of Delhi in the upcoming urban village of Aya Nagar on the left side of Mehrauli-Gurgaon Road is only 10 kms away from the historical Qutub Minar and a stone's throw away from the cyberpolis-Gurgaon. Well-connected by the Delhi Metro and regular Bus Services, Aya Nagar has both the peace of a little town as well as the facilities of a city.

It is to this end that we humbly solicit your valuable support and co-operation without which we will not be able to accomplish this dream. We are sure that the supporting hands extended to our parish for the last 25 years would continue to support us in this venture also.
